No report available.

**5. Ongoing Maintenance Activities:**

**Painting:** City of Kettering Building Inspector requested that the building be painted (outside). The City of Dayton said that they did not have a painter available. Ed Cordray is in the process of painting the building himself. He expects to complete the effort today.

**6. Old Business:**

None.

**7. New Business:**

**Kitchen Steps:** Mona Cannell complained that the kitchen steps get icy in the winter. Can we do something about it? Ed Cordray said that any options would be very expensive.

**Winter Salt:** Bill Vernon asked if the salt on the floor in the winter was a problem. Ed said that as long as we keep cleaning up floor, it should not be a problem. This past winter we had above average snowfall and snow days, which meant a larger amount of salt being tracked into the building.

**2004 Budget:** Ed asked for input to the draft budget that had been provided. No changes were made. Note that prior to the meeting, Chuck Jobe noted that some of his dances were missing from the income section. In reviewing, Ed noted that National Carousel was credited for dances they are no longer having. Revisions will be incorporated into the final proposal for the December meeting.

**2004 Meetings:** Ed announced the meeting schedule for 2004. The schedule is as follows:  
February 14, April 10, October 9, and December 11.

**2004 Projects:** Mona asked if there were any projects planned for next year. Ed's reply was that painting was planned, but we are doing it now.

**Next Meeting:** December 13, 2003

The meeting was adjourned at 11:15 am.
