7. New Business:

Spring Work Day: A “Spring Work Day” was scheduled for April 24. Attendees were encouraged to announce this at their clubs. Leslie Hyll will create a flyer. It was decided that workers would get free admission to the B-N-R dance that evening (support committee will pay their admission). The work day will start at 10:00 am. We would also like to provide lunch to the workers. Sharry said that she would consider being in charge of the lunch and would get back to us.

Miscellaneous: Someone mentioned that the heat was off one night when they came in. Heat should always be on in the winter. Mona Cannell suggest that building reminders be put up in the fall for various things. This might include

- A drawing of where all switches are and how they should be set
- A drawing of where table and chairs are supposed to be
- Coffee maker is NOT supposed to be unplugged.

Next Meeting: April 10, 2004

The meeting was adjourned at 11:20 am.
