Campaign to raise funds for roof restoration/replacement at Michael Solomon Pavilion

Michael Solomon Pavilion is home to multiple dance clubs in the greater Dayton area. Round Dancers, Square Dancers, Ballroom Dancers, Folk Dancers and others use the space on a regular basis to host dances and lessons for their club members and guests.

The pavilion is in need of a new roof and we need your help. All clubs using the pavilion are asked to participate in this important fundraising campaign. Our goal is to raise money to repair/replace the roof so we all continue to have a facility in which to dance.

We will collectively raise funds through private donations and fundraising events. Event schedules will be posted by the clubs and available on the MVDC website. In addition, a donation box will be available at all club dances for individual donations.

The campaign's priority is to raise money for the roofing project. All donations and proceeds of fundraising dances will be used for the restoration and replacement of the roof.

Please help us make this goal a reality through your generous donations and participation in the fundraising events.
