Current times will be listed on the MVDC club calendar as:

6:00 8:00 P.M. Learn to Dance and
7:00 9:30 P.M. Dance.

We are planning on running lessons back to back and taking our new students to the mainstream level.

If they desire, at a later date we will teach them plus.

The time of teaching and dancing overlaps one hour.

If you come to one of our dances while we are doing lessons there will be a couple student level tips in the first hour of the dance, if we aren't doing lessons, that won't be the case.

Our dances will be in the format of 2 mainstream tips and then one plus tip. We will also be opening the 3rd Tuesdays of the month up to anyone in the community so there will be some guest tips in there if anyone shows up to watch and participate.
